By dint of a lifetime of hapless flubbing around, malevolent conspiracies of Cruel Fate, plotting on the part of Unprincipled Schemers, rotten luck, weird astrological juxtapositions, bad breaks, confiscatory taxation, sloppy bookkeeping at the bank, wastrel forebears and progeny, and because--

Painstaking research of this put-upon individual's tragic record reveals that the presently related episode is merely another in an endless series. Hence--

The Sympathy of the Whole World is implored for this feckless individual and a muttered imprecation is invoked in his behalf.
