

Teenage Mutant Ninja Turtles™

GoComics TV features a fresh mix of video content available nowhere else on mobile – including brand new series, Saturday cartoons shows, fan-favorite classics, anime, and quirky Web toons. Users can download new short clips and full episodes directly to their mobile phones every week.

### The GoComics TV lineup includes:

- **Teenage Mutant Ninja Turtles** - more green for your screen!
  - the brand-new TV series Fast Forward
  - classic Teenage Mutant Ninja Turtles cartoons
  - scenes from the new TMNT CGI movie debuting in March 2007
- **Garfield** – TV cartoons and clips from Garfield the Movie
- **Domo** – stop-action shorts with the loveable Japanese star
- **Yu-Gi-Oh!** – anime action with the TV and card game superstar
- **Guilstein** – an anime feature never before seen in the U.S.
- **Julius and Friends** – cartoon creations from fashion icon Paul Frank
- **Mr. Man** – wild webtoons with wide appeal
