## GoComics TV Coming to Mobile Phones

**Kansas City, MO (September 12, 2006)** – uclick mobile announced today the launch of GoComics TV, a new mobile video offering available this fall on mobile phones. The service will debut with *Teenage Mutant Ninja Turtles*, *Garfield*, *Domo*, *Yu-Gi-Oh!*, and other popular features.

GoComics TV will feature a mix of fresh content never before seen on mobile – brand new series, Saturday cartoons shows, fan-favorite classics, anime, and quirky Web toons. New short clips and full-episodes will appear every week.

### Cartoons featured on GoComics TV include:

- **Teenage Mutant Ninja Turtles** – their brand-new TV series *Fast Forward* as well as classic *Teenage Mutant Ninja Turtles* cartoons. Also featured are scenes from the new TMNT CGI movie debuting in March 2007.
- **Garfield** – TV cartoons and clips from *Garfield the Movie*.
- **Domo** – stop-action shorts with the loveable Japanese star.
- **Winx Club** – the new Saturday morning hit.
- **Yu-Gi-Oh!** – Anime action with the TV and card game superstar.
- **Guilstein** – an anime feature never before seen in the US.
- **Julius and Friends** – cartoon creations from fashion icon Paul Frank.
- **Mr. Man** – wild webtoons with wide appeal.

“We have a very strong lineup of great comics and cartoons ready to launch, and we’ve got even more waiting in the wings.” says uclick CEO Chris Pizey.

“GoComics TV gives comics fans yet another great way to ‘Toon in Daily.’”

uclick mobile also offers a wide assortment of video clips for use as downloads and screensavers on mobile phones. The diverse collection includes many of the cartoon favorites soon to be available on GoComics TV, as well as stunning graphics and live-action video.
