

ARIES (March 21-April 19): Avoid ultimatums, pushy people and any type of force play. You are better off doing your own thing and putting more time and effort into your own personal welfare. Love is highlighted and socializing and networking will help to enhance your relationship.

TAURUS (April 20-May 20): Opportunities of a secretive nature will set the pace this month. Before you dive in headfirst, make sure you are cognizant of the consequences should things not turn out as planned. A short trip or taking in information that can better your professional position should be applied.

GEMINI (May 21-June 20): Follow your heart and you will reach your goals. Favors will be granted and opportunities given to you if you show interest and enthusiasm. Love will enhance your life and, although your home life will be hectic, the end result will be to your benefit.

CANCER (June 21-July 22): Put more effort into work. Inconsistency will stand in the way of progress. Talk less and do more. It's taking action that will get the job done, not discussing the prospects. Expect to be faced with additional responsibilities. You'll have to plan ahead to reach your goals.

LEO (July 23-Aug. 22): Travel, intrigue and romance are in the stars. Lend a helping hand and participate in a worthy cause and you will

meet interesting people. A lifestyle change is overdue and will boost your confidence and make you more aware of what you want to pursue in the future.

VIRGO (Aug. 23-Sept. 22): You don't have to be a superstar but you do have to know how to handle any negative response that develops. Diplomacy will be required if you want to keep things running smoothly and avoid controversy with someone you need in your corner in order to get ahead.

LIBRA (Sept. 23-Oct. 22): Add your velvet touch to conversation you have with children, friends, peers and lovers and you will have everyone working on the same page and toward the goals you have set. It's your persuasive, complimentary way of asking for things that will get you what you want.

SCORPIO (Oct. 23-Nov. 21): Take a trip. Combine business with pleasure and, before you know it, you will feel rejuvenated. It's not so much the rest you will get but rather the pumped-up feeling that comes along with accomplishment and the ability to make something you've wanted for

a long time become a reality.

SAGITTARIUS (Nov. 22-Dec. 21): You can turn an idea into a profit. Property investments, settlements or contracts that need to be renewed can all bring you extra cash. Fixing up your home or spending more time with someone you love will all play into your future plans. Enjoy the ride.

CAPRICORN (Dec. 22-Jan. 19): Don't give in to someone trying to bully you into something you don't want to do. Focus on your responsibilities and push for what you want to see happen contractually, financially and with regard to your home and family. Don't back down -- your future depends on your persistence.

AQUARIUS (Jan. 20-Feb. 18): Give and take will make or break a partnership. You have to weigh the pros and cons and decipher whether or not you should be going it alone. A love relationship will be emotional but, in the end, will bring long-term benefits and greater stability.

PISCES (Feb. 19-March 20): Take stock of what needs to be done and do the work yourself. Relying on someone else will lead to disappointment and frustration. Focus on your needs and what you want the end result to be and you will find the success you've been searching for.
