

# Rag & Bone Times Two

**A presentation for the men, a show for the women**

**Wednesday, January 27, 2010**

(NEW YORK) Add another appointment to your Fashion Week schedule. This season, Rag & Bone will host two different events on Friday, February 12. The men's collection will be shown via a 12 p.m. presentation, while the women's runway show will bow at 5 p.m.. Both will take place at the event space 82 Mercer Street. Last September, Marcus Wainwright and David Neville showed their complete offerings together in a single runway show at Cedar Lake.

The brand, which is carried at a remarkably wide range of stores from Saks Fifth Avenue and Bloomingdale's to Odin and Browns, currently operates 3 freestanding boutiques--two on Christopher Street and one at 119 Mercer, a block away from the new show venue. For Spring 2010, Neville and Wainright have launched three companion collections--Rag & Bone/JEAN, Rag & Bone/SHIRT and Rag & Bone/KNIT. These basics will include 3 new denim styles, enzyme-washed cotton oxfords, and classic knits.
